RE: 1981 Annual Operations and
Progress Report and
Site Revegetation Plan
Carr Fork Operations
ACT/045/004
Tooele County, Utah

Dear Glenn:

Thank you for the above referenced information. I have forwarded the "Site Revegetation Plan" to Sue Linner, Reclamation Biologist for the Division. Upon completion of her review, I would like to meet with you, preferably on-site, to discuss the reclamation program and tour the Carr Fork facilities. Probably the ideal time would be sometime during the first part of May when you are conducting your revegetation efforts. I'll call you within the next few weeks to arrange a convenient time.

Sincerely,

JAMES W. SMITH, JR.
